

Auto Repair Log

Please use this repair log to record all important information regarding your vehicle's maintenance. Record all repairs such as, oil changes, tune-ups, warranty work, and other miscellaneous repairs. Demand an Invoice (it's your right) since it details what was or was not repaired. If there are any incidental charges, record the charge and attach a copy of the invoice.

| Date In Mileage In | Date Out Mileage Out | Dealer/Repair Shop Name | Symptoms | Worked Performed | Charge (If Any) |
